

# BEHAVIORAL HEALTH CAREER CONNECTIONS

A PROGRAM OF SERRC - ALASKA'S EDUCATIONAL RESOURCE CENTER

## A FREE week-long exploration of behavioral health careers

January 28-February 1, 2019 in Juneau

### On-site learning

Explore behavioral health careers with classes based at Bartlett Regional Hospital and site visits around Juneau.

### Presentations

By behavioral health professionals and college professors.

### Mental Health First Aid training

8-hour, internationally recognized, certificate training.

### Classroom work

Learn how to become a behavioral health professional including behavioral health aides, social workers, nurses, counselors, psychologists, psychiatrists and more.

---

This week-long, residential program takes place in Juneau and is FREE for students ages 16 and older and their chaperones including travel, accommodations, instruction and food.
